

THE GATHERING OF THE REV. SISTERS

OF LOS ANGELES ~ REV. BJ, JENKINS PRESIDENT

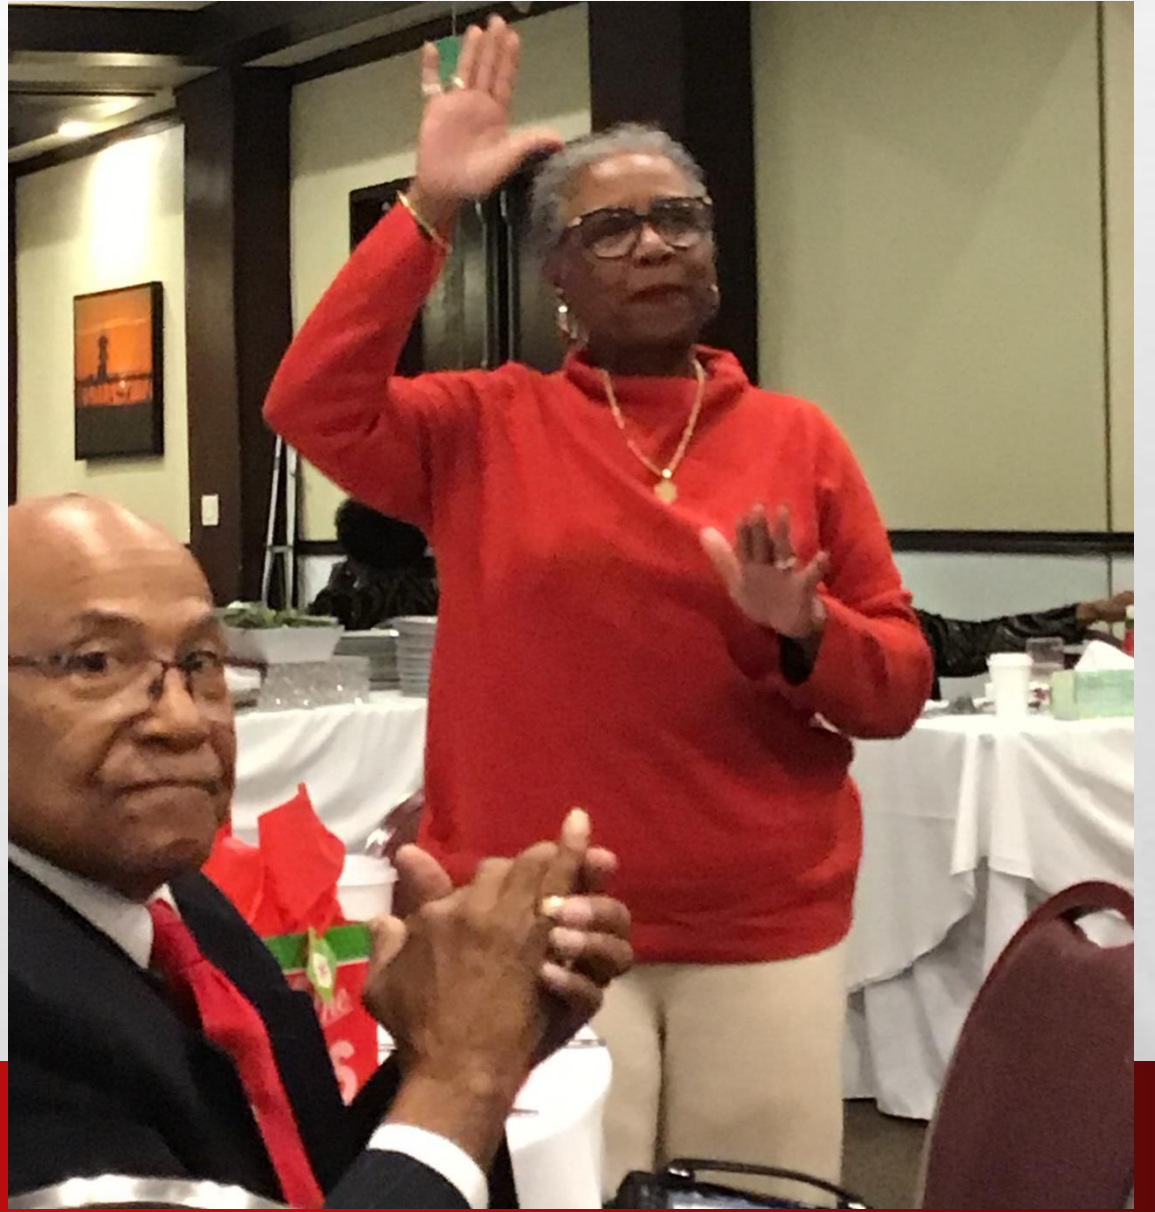

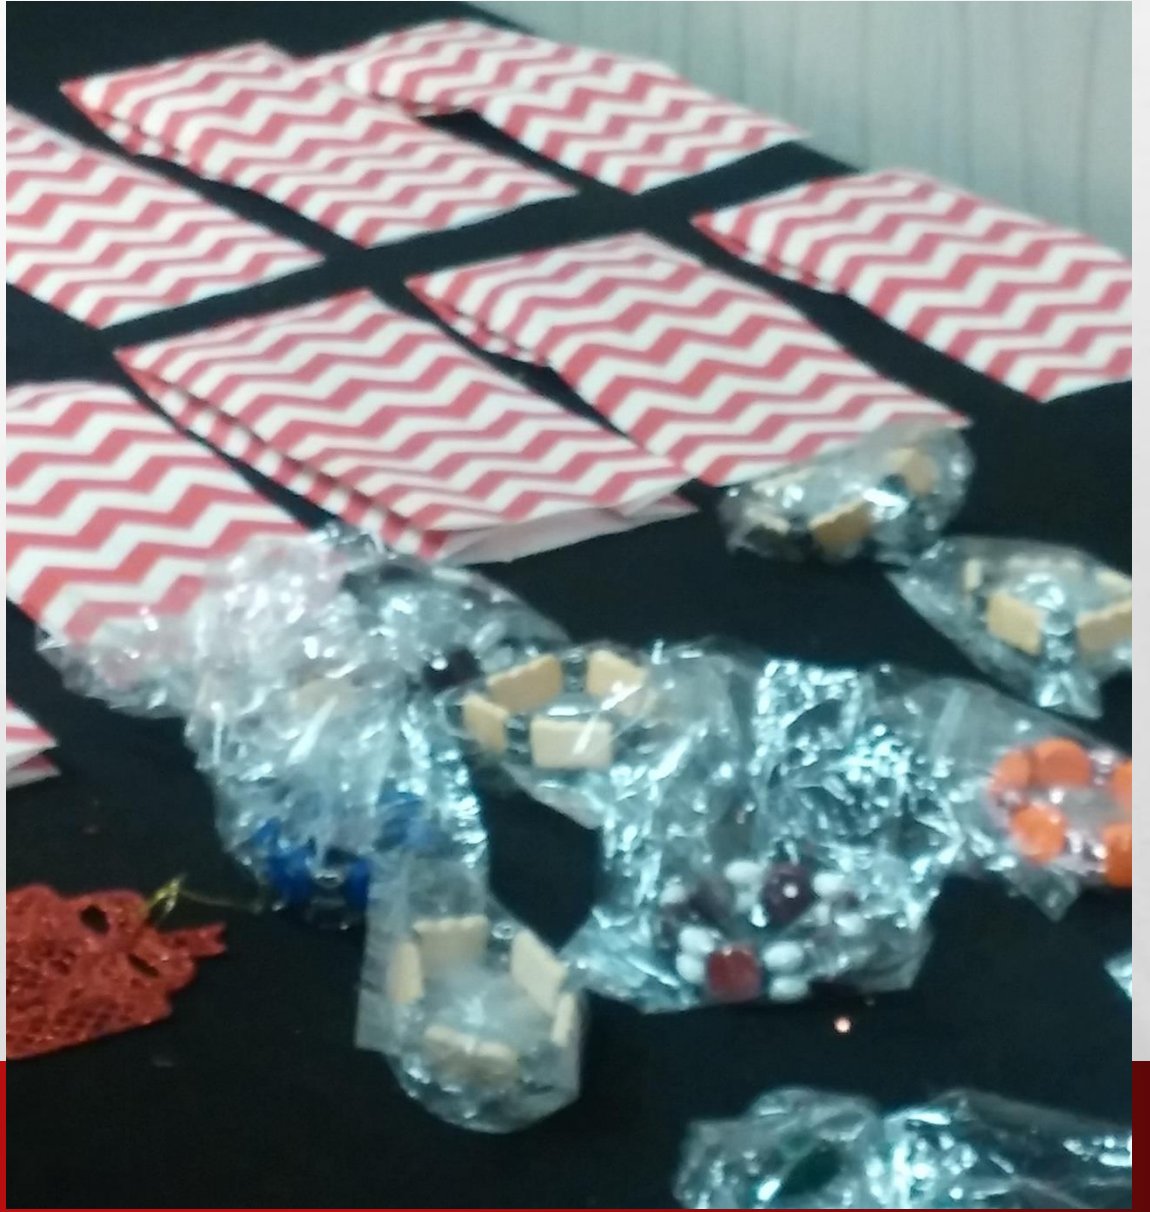

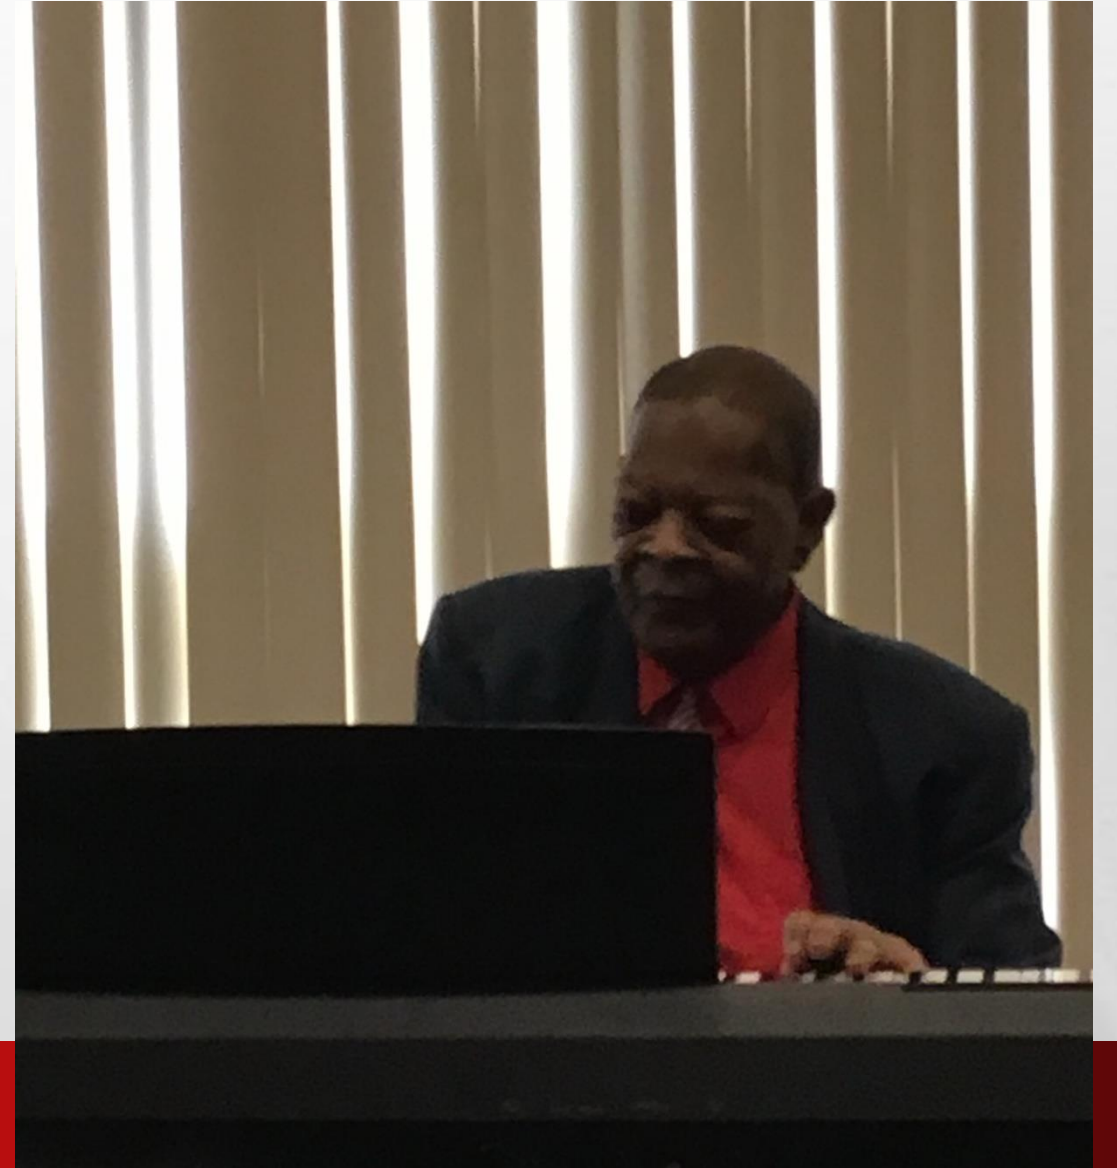

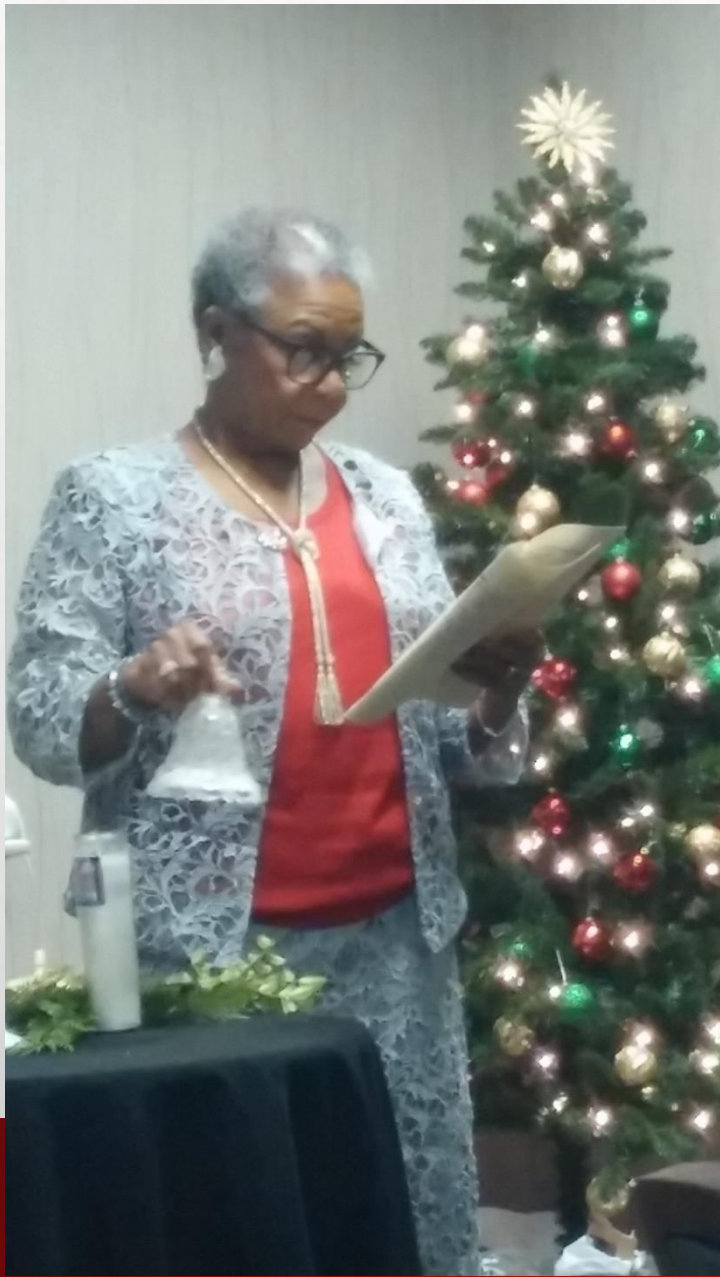

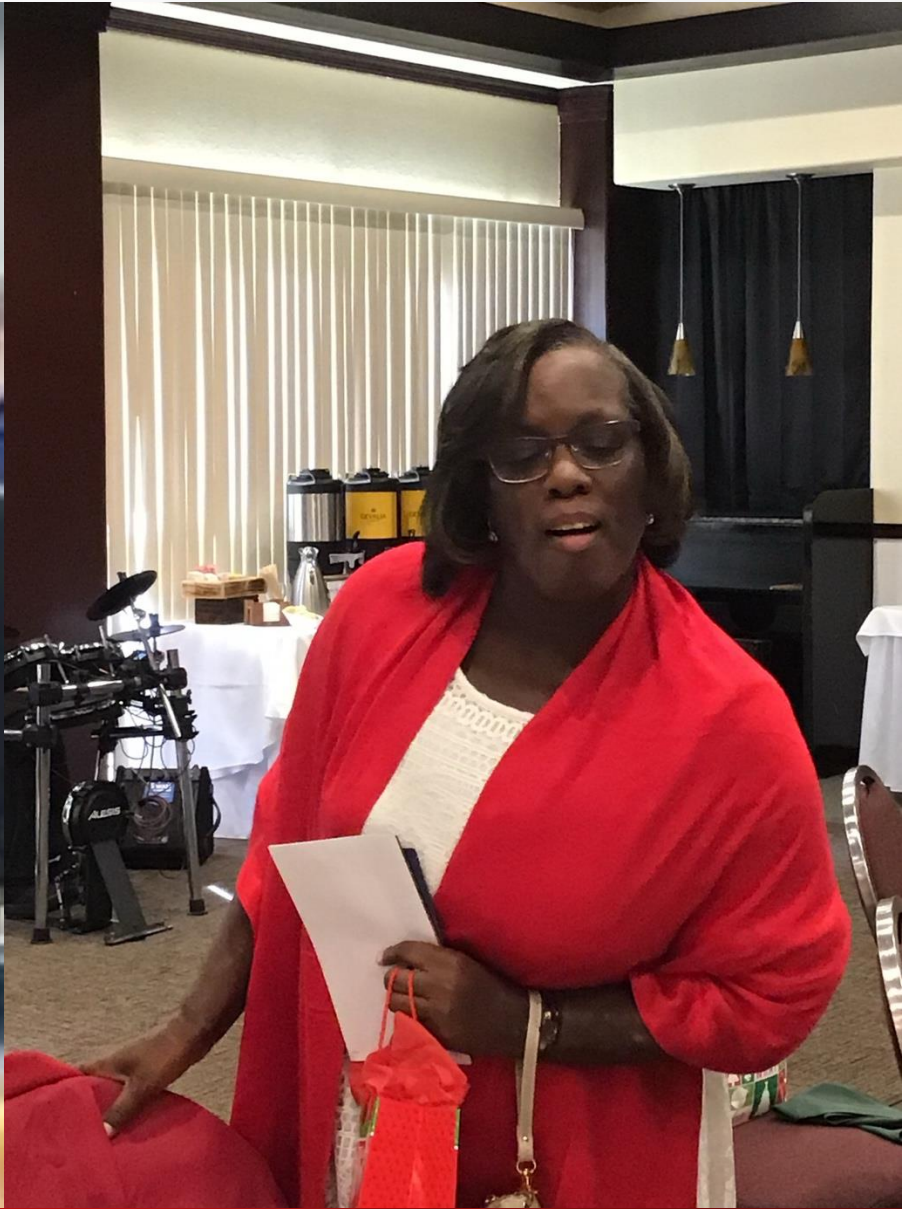

Rest is not for weaklings.

Hollowing out space for rest is work.

**It takes courage to rest
in the midst of
an outcome-driven society.**

Rest is really about
restoration.

Rest is restoring
whatever's been
depleted.

***The Ability to rest boils
down to the condition
of your heart. Can you
trust God to supply
while you rest?”***

Mental rest

involves relinquishing the
constant stream of thoughts
entering your mind and obtaining
a sense of cerebral stillness.
